

## **YANCOAL CANADA RESOURCES CO., LTD - OPERATIONS IN BRITISH COLUMBIA**

Monday, September 10th, 2018

Yancoal Canada Resources Co., Ltd ("**Yancoal**") is a Saskatoon, Saskatchewan, based potash exploration and development company which expanded operations to British Columbia in 2017 to purchase and export logs to China.

It has come to the attention of Yancoal that an individual or individuals have contacted certain companies within British Columbia and purported to be representatives of Yancoal. Xianwen Qin (Stan) is the Vice President of Yancoal and the primary contact for all British Columbia operations. No other individual, entity or otherwise has authority to act for or bind Yancoal in British Columbia.

For all enquiries, or if you have information about the above, please contact:

**Xianwen Qin (Stan)**  
Vice President
